

GALLUP Student Poll Results Summary

2014-2015 Long Beach

Overview

The Gallup Student Poll measures hope, engagement, and well-being. SIATech administered the poll in Fall 2014 along with nearly a half million other high school students nationwide. In the four years administering the poll, many of the questions have received higher responses than student responses nationwide. The poll reflects the many ways SIATech provides an excellent educational environment for its students.

Hope

The ideas and energy we have for the future. Hope drives attendance, credits earned, and high school GPA, and is a predictor of college GPA and retention.

The majority of SIATech Long Beach students were hopeful (52%) in 2013-2014.

SIATech Long Beach nears or surpasses national averages in the following hope indicators: goal pursuit, confidence in getting good grades, creative problem solving, and confidence in finding a good job.

Hope Overview

Pursue Goals

Q: I energetically pursue my goals.

Find Good Job

Q: I know I will find a good job after I graduate.

Engagement

The involvement and enthusiasm for school. According to Gallup, engagement scores separate high-performing from low-performing schools.

SIATech Long Beach surpasses national responses in the following engagement indicators: school provides an opportunity to do their best, receipt of recognition or praise for schoolwork, the school is committed to strengths of each student, and have an inspiring teacher.

Engagement Overview

Schoolwork is considered important.

Q: My teachers make me feel my schoolwork is important.

Inspiring Teacher

Q: I have at least one teacher who makes me excited about the future.

Well-Being

How we think about and experience our lives. It is an indicator of how students are currently doing and is a predictor of future success. 62% of SIATech Long Beach students were thriving in 2013-2014.

SIATech Long Beach students responded positively to the following well-being indicators: that at school they frequently smile or laugh, learn to do something interesting, have enough energy to get things done, and are healthy enough energy to get things done.

Well-Being Overview

Learn or do something

Q: Did you learn or do something interesting yesterday?

Family or Friends

Q: If you are in trouble, do you have family or friends you can count on to help whenever you need them?

The "nationwide" data reflects an aggregate of the convenience sample of schools and are not representative of US student populations. They are provided as a guide to view how SIATech's results compare to the national sample results.
